## New Features in Find It:

### Cited References, Similar Articles, and More

Clicking the Find It button now connects you to more than just the fulltext of a source. Where possible, you'll now see links to articles that cite the one you're looking at, links to similar articles, and more from the same authors.

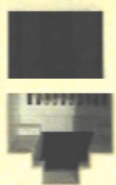

**More like this:**

- 14 Articles that cite this**  
from Scopus
- 11 Articles that cite this**  
from Web of Science®
- Similar articles**  
from Scopus
- More from these authors**
