

Homework Helpers

Problem Solvers

These books can be an invaluable aid to students as supplements to textbooks. They are designed to accompany multiple textbooks and supply detailed solution methods.

As of Spring 2006, these are the latest editions available.

NOTE: These books are shelved in the Science Reference collection on C-Level, unless otherwise noted.

Title	Science Reference Call Number
Advanced Calculus Problem Solver	QA 303.3.A38 1999
Algebra and Trigonometry Problem Solver	QA157.A48 1998
Automatic Control Systems/Robotics Problem Solver	TJ213.8 A98 2000
Biology Problem Solver	QH316.B52 2001
Calculus Problem Solver	QA303.C1759 1995
Chemistry Problem Solver	QD42.C498 1996
Complex Variables Problem Solver	QA331.M54 1998
Differential Equation Problem Solver	QA371.D448 2000
Electric Circuits Problem Solver	TK454.E575 1998
Electromagnetics Problem Solver	QC760.52.E45 2000
Electronics Problem Solver	TK762.E38 2000
Finite and Discrete Math Problem Solver	QA43.F55 1999
Fluid Mechanics and Dynamics Problem Solver	TA357.3.F58 2000
Genetics Problem Solver	QH440.3.G46 1999
Geometry Problem Solver	QA459.G46 2001
Heat Transfer Problem Solver	QH303.C1759 1999
Linear Algebra Problem Solver	QA184.5.L555 1999
Mathematics for Engineers Problem Solver	QA42.M38 1992
Mechanics Problem Solver	QA809.M37 1998
Operations Research Problem Solver	T57.6.O6457 1996
Optics Problem Solver	QC363.4.O67 1990
Organic Chemistry Problem Solver	QD257.O727 2001
Physics Problem Solver	QC32.P48 1998
Probability Problem Solver	QA273.25.B47 2001
Psychology Problem Solver	BF78.P78 1999
Statistics Problem Solver	QA276.2.S725 2000
Strength of Materials and Mechanics Problem Solver	TA407.4.S77 1996
Thermodynamics Problem Solver	QC311.28.T49 1998
Topology Problem Solver	QA611.19.M55 1998
Transport Phenomena Problem Solver	QC175.2.T728 1993
