

How to Find Recent Fiction

Many popular fiction titles are available through the McNaughton Collection in the M-Level lobby. The shelves for new books are also located in that area, behind the couches.

While there is not one section in the stacks of the Eisenhower Library for fiction, you can browse the call number ranges below to find recent works. All ranges are in the **Blue Label Section of D-Level** and cover the years 1961 to present.

Fiction in the Stacks	
American	PS 3550-3626
British	PR 6050-6126
French	PQ 2660-2686
German	PT 2600-2688
Italian	PQ 4860-4926
Russian	PG 3475-3490
Latin American	PQ 7000-8560
Spanish	PQ 6651-6726
Portuguese	PQ 9189-9288
Caribbean, African, and Indian	PR 9205-9570
Arabic	PJ 7577-8417
Dutch	PT 5800-5881
Chinese	PL 2261-2979
Japanese	PL 782-866
Korean	PL 989-993
Canadian	PR 9199.2-9199.3

Remember, many books in our collection are in the off-campus shelving facility, the Libraries Service Center. **Use the Libraries Catalog** to locate and request these titles. See a Reference Librarian for help.
